*Wrestling with Adulthood: Unitarian Universalist Men Talk About Growing Up* – Edited by Rev. Ken Beldon (Skinner House 2008)

## **Social Media and Web 2.0 Creation**

Facebook – [www.facebook.com](http://www.facebook.com) – A popular social networking website. Recent studies suggest that more digital communication now occurs through sites like Facebook than through email.

Message in a Box - <http://www.messageinabox.tacticaltech.org/> - This website from the Tactical Technology Collective provides a toolbox for tactics on how to communicate effectively in your organization through websites, audio, print, video, and other communication methods.

We Are Media - <http://www.wearemedia.org/> - This website is a “Social Media Starter Kit for Non-profits.” It is in wiki format and has various resources on podcasting, video sharing, and a variety of social media tools.

Wix.com – “Wix offers you a simple powerful online platform to make flash websites, MySpace layouts and more. No downloads or programming needed. And since creating with Wix is free, you can Sign Up and try it yourself!”

Sauropol.com – “Create an Instant Website Free software, hosting & custom domain Choose a design, change the site title and start editing content.”
